

COUNTY OF SAN LUIS OBISPO

Potential Reuse Concepts – Diablo Decommissioning Draft EIR July 2023

Potential Reuse Concepts

- **Reuse Concepts Developed Based on:**
 - Diablo Canyon Decommissioning Engagement Panel Strategic Vision
 - Friends of the Diablo Canyon Lands – A Conservation Framework
 - PG&E – DCPP Site: Repurposing and Reuse Concepts
 - REACH Activities
 - SLO County DCPP Decommissioning EIR Scoping Process

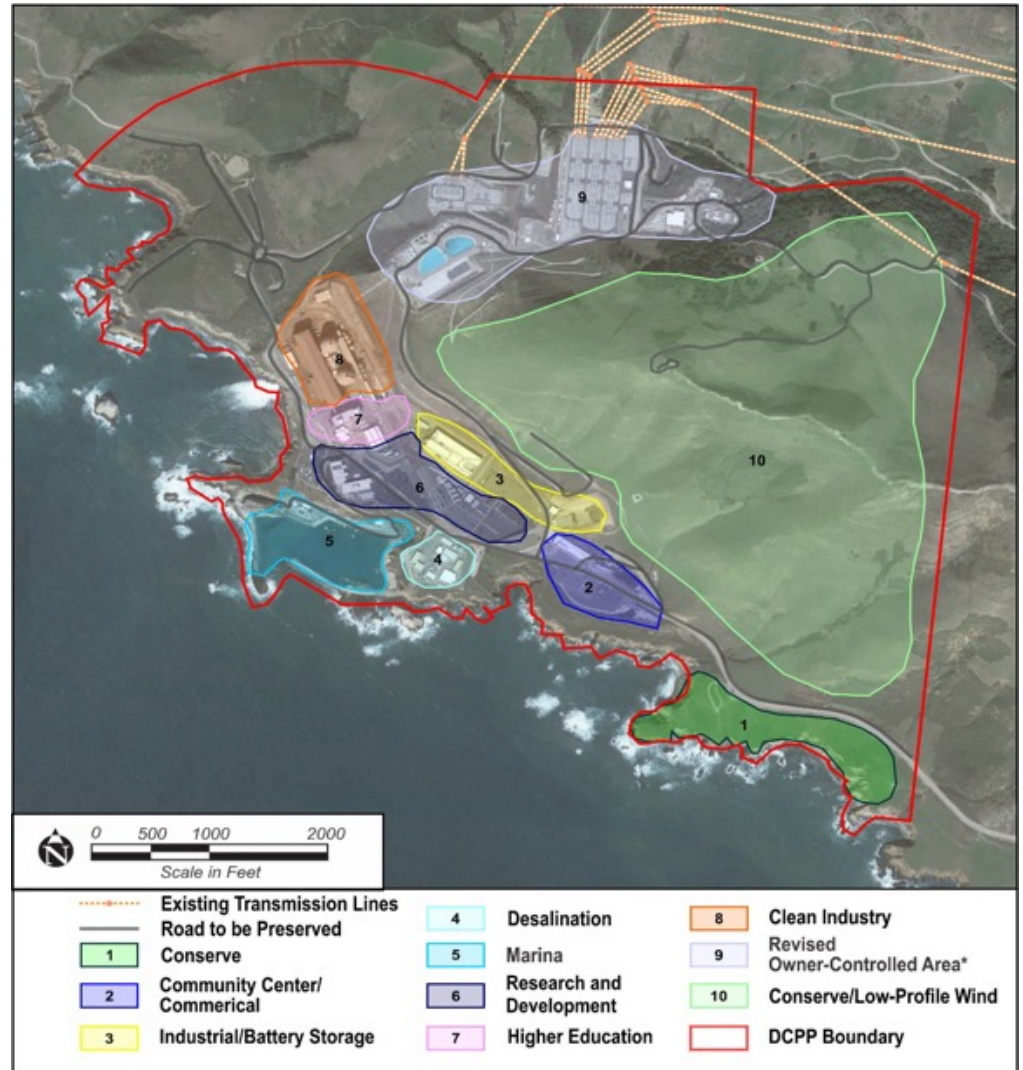

Draft EIR Described Eight Potential Reuse Concepts

- Clean Tech Innovation Park
- Recreation
 - Campground/ Cabins
 - Resort/Hotel
- Energy Storage System
- Energy Research
- Institutional Use
- Cultural and Historical Preservation
- Desalination Plant
- Central Coast Offshore Wind Area

Clean Tech Innovation Park

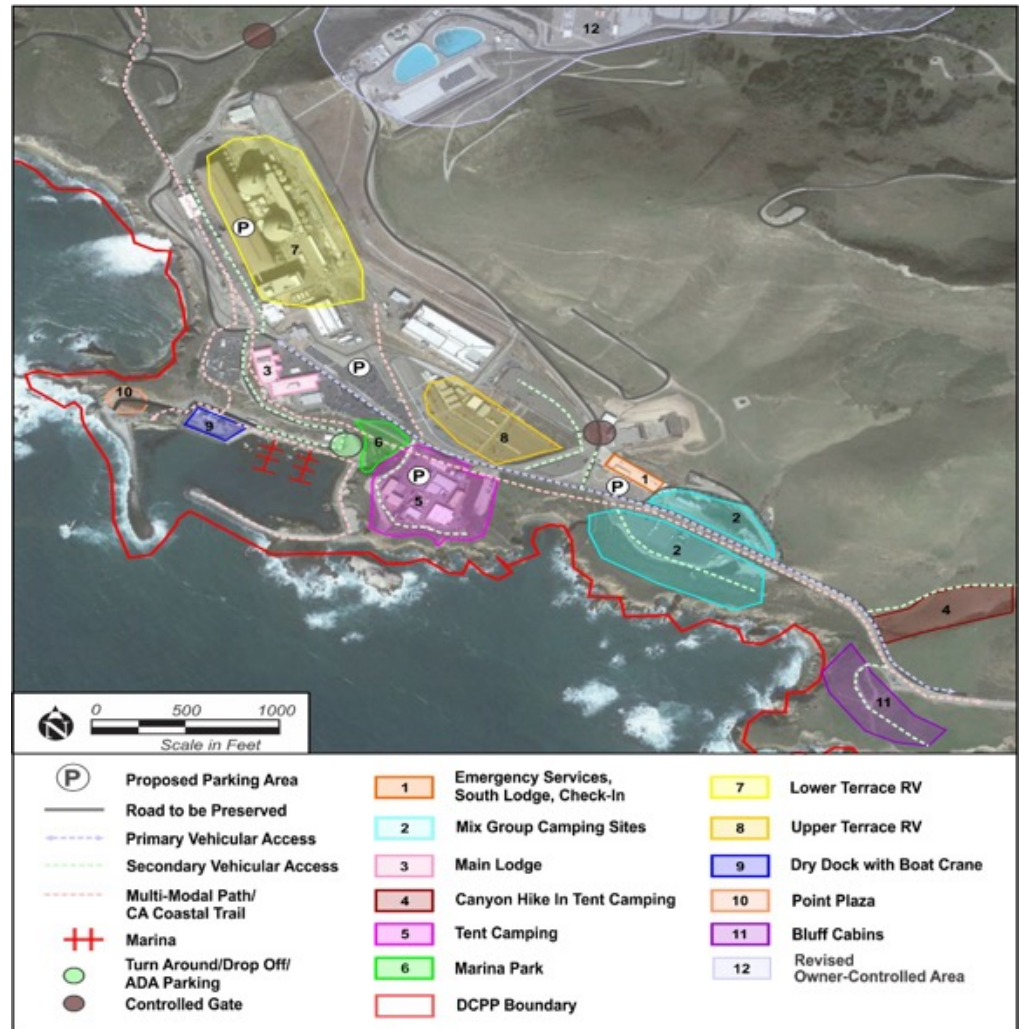

- Mixed-use Park
 - Clean-energy Research and Development
 - Marina (blue economy activity)
 - Chumash Community Center
 - Expansion of Existing Desal Plant
 - Education
- Managed by Cal Poly

Recreation Campground/ Cabins

Moderate-Intensity Recreation

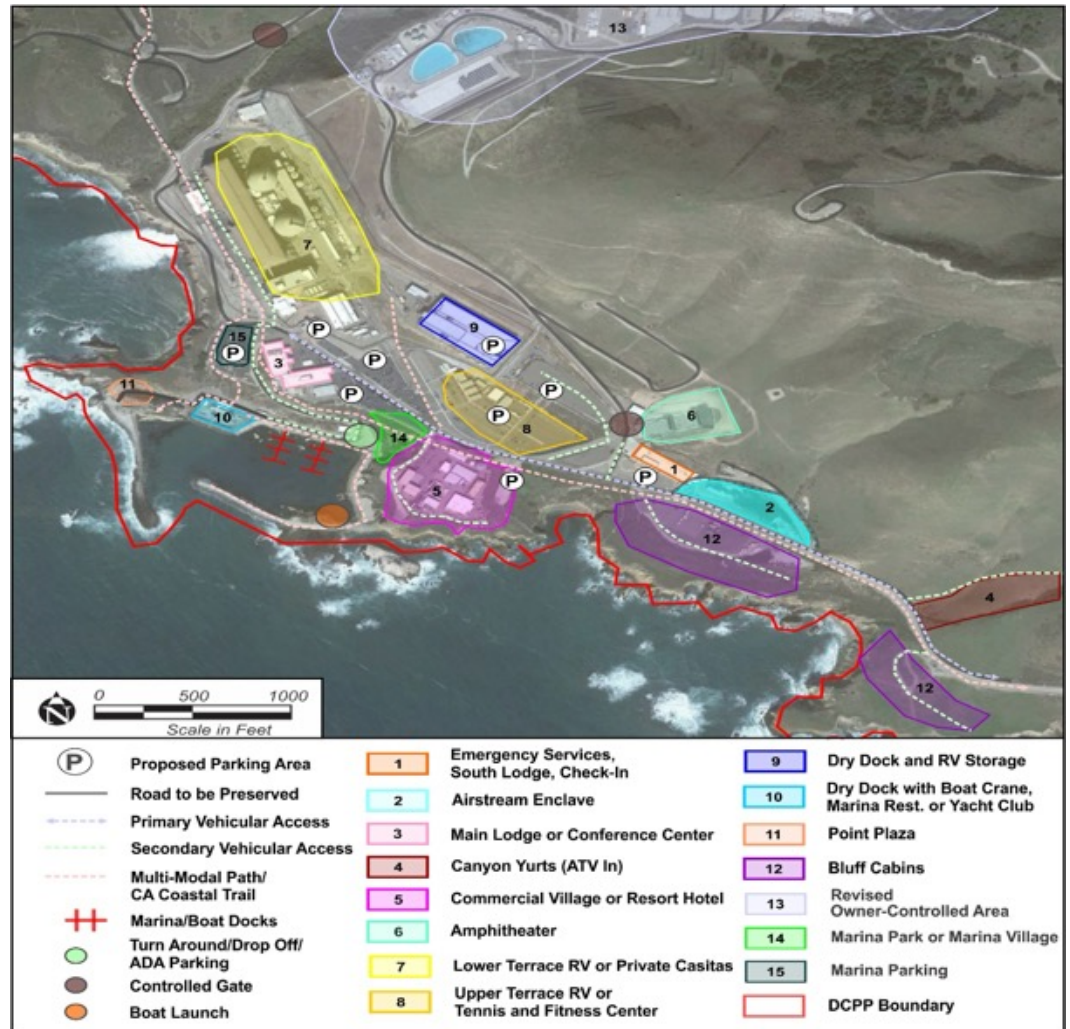

- Cabins
- Hike-in Camping
- Tent Camping
- RV Camping
- Marina

Recreation Resort/Hotel

Higher Intensity

- Lodge
- Cabins
- Canyon Yurts
- Amphitheater
- Restaurant
- General Store
- Conference Rooms

Energy Storage System

Connect to Existing 230/500-kV switchyards

Storage Options:

- Battery Storage
- Liquified Air
- Mechanical Gravity Energy Storage

Energy Research

Professional and Student Research Collaboration

- Clean Energy Sources
- Research Offices/Labs
- Conference Rooms

Institutional Use

Uses Could Include:

- Hospital
- Mental Health Treatment Center
- Veterans Affairs
- Coast Guard/NOAA Facility
- Vocational Training Center

Other Concepts

- Cultural and Historical Preservation
- Desalination Plant
- Central Coast Offshore Wind Area

Thank you
